## A NICE DRIVE FOR A GOOD CAUSE!

### OUR CO-CHAIRMAN ARE :

**Michel Bergeron,**  
Sports commentator & ex-  
coach of the NHL

**Jocelyn Hogue,**  
Chief executive officer  
Toitures Hogue Inc.

The Fondation invite you to combine business with pleasure for a good cause and plan a special day with clients, partners, colleagues, employees or close relations, while supporting spinal cord injured persons.

All «**Omnium Handicap Zero**» profits will help the Foundation continue its research projects in order to find, one day, a cure to spinal cord injury and help make life easier for spinal cord injured persons.

For golfers, reaching zero handicap is a game objective,  
but for the spinal cord injured people, it's a lifetime one!
